Передмова

Методичні рекомендації присвячено одній з найскладніших та найбільш уживаних граматичних категорій англійської мови – категорії способу дії, а саме – типам умовних речень. Утворення, вживання умовних речень та їх переклад з англійської на рідну мову викликають певні труднощі у здобувачів на будь-якому рівні вивчення мови у зв'язку з наявністю часткової невідповідності даного граматичного феномену в англійській та українській мовах.

З огляду на специфіку навчання даного граматичного матеріалу на рівні A1-B1 та з метою формування стійких граматичних навичок, автором було запропоновано різноманітні за граматичним наповненням вправи, підібрані з урахуванням різних рівнів складності, позначені спеціальними символами (* - A1, ** - A2, *** - B1)

Загалом пропонується 50 вправ, згрупованих відповідно до граматичного матеріалу, який підлягає відпрацюванню. Деякі вправи, представлені у збірнику, вже були успішно апробовані на заняттях з практичної граматики зі студентами-іноземцями, які вивчають англійську мову на рівні A1-A2. Відповідно було внесено деякі зміни і уточнення.

Дані методичні рекомендації можуть бути використані як для аудиторної роботи, так і для самостійного опрацювання.
